EXPORT

02 — WHY DHIYASRI

# Your fabric, knitted, dyed and finished in one place.

**31** YEARS

of knitting cotton in Tiruppur, India's knitwear town.

Under one roof

**Knit · dye · cut · sew · pack**

One team, one point of contact, no hand-offs between mills.

Fabric MOQ

**250** KG

Minimum per fabric order.

Sampling

**Welcome**

Small sampling orders welcome · approvals before bulk.

Preferential duty

**May qualify**

With proof of origin.

Fabric weight

**110–440** GSM

Custom GSM produced to your sample.

Markets

**UK · UAE**

UK our main market, UAE our second · private label welcome.

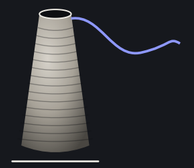

dhiyasriapparels@gmail.com · +91 93644 09964 · Request samples

03 — PROCESS

# Yarn in. Fabric out.

Fabric orders run steps 01–03 in one factory. Fewer hand-offs means fewer delays — and one shade, start to finish.

01

## Yarn

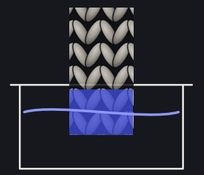

Every order starts as cotton yarn, ready for the machines.

02

## Knit

Knitted into jersey, rib, interlock, fleece or terry.

03

## Dye

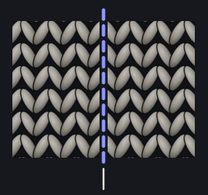

Greige fabric dyed and processed to your approved shade.

04

## Cut

Laid and cut into panels to your pattern.

05

## Sew

Panels sewn into the finished style.

06

## Pack

Checked, pressed, labelled and packed.

**Fabric orders** · steps 01–03, shipped as rolls

PROCESS

04 — FABRICS

# 8 knits. Any weight from 110 to 440 GSM.

Each bar is the GSM range listed per fabric (melange shown as yarn-dyed). Need a weight in between? We knit to your sample. Tap a fabric to open its page.
